WORD LADDER

Change just one letter to create the next word, to go from **SORT** to **POOL** and **NEWS** to **TIPS**. Use the clues to help you figure out the word.

WORD LADDER: FROM SORT TO POOL

Go from SORT to POOL by changing just one letter in each word.

SORT (put the facts in order)

soot (black dust)

toot (a horn's sound)

foot (end of an ankle)

fool (what "fake news" does)

tool (a useful implement)

POOL (a group of reporters)

WORD LADDER

Change just one letter to create the next word, to go from **SORT** to **POOL** and **NEWS** to **TIPS**. Use the clues to help you figure out the word.

WORD LADDER: FROM NEWS TO TIPS

This one is tough: Not only do you change one letter, but you can also change the *order* of the letters.

NEWS (what a journalist reports)

lens (we look at the world through this)

pens (you can use this to write with)

puns (headlines may include these)

spin (an angle or way of looking at facts)

TIPS (insider information)
